REVISION OF MIDDLE SCHOOL CURRICULUM IN CHINA FOR 1954-1955

Jen-min Chiao-yu  
Peiping, Aug 1954

The ministry of Education of the People's Republic of China has revised the experimental curriculum for middle schools, and has issued the following table showing 1954-1955 curriculums.

All semesters indicated are of 18 weeks' duration except the second semesters of the third year of both junior and middle schools, which are 17 weeks each.
